SUBJECT: Capital Planning and Investment Control (CPIC) Decision Criteria and Score Sheet and New Internal Mandatory Reference - ADS 577

ADS 577 (Information Technology Capital Planning and Investment Control) has been editorially revised as follows:

1) The CPIC Decision Criteria and Score Sheet (Table 3), a mandatory reference for ADS 577, has been revised to provide helpful information, including scoring guidance. In addition, a few decision questions on the Score Sheet have been restructured so that answers to all the questions have consistent meanings.

This reference document will be revised substantively to reflect the needs and interests of the USAID CPIC Subcommittee in June or July 2004. Please use the attached version until then.

2) A new internal mandatory reference, Interim Update 5-0401, "Policy Notice on Updated Privacy Policy for IT Systems and the Web," has also been added.
